From

C. S. Balasundaram Iyer, Esq., B.A.,

Muzrai Commissioner in Mysore,

Bangalore.

To

The Chief Engineer of Mysore,
Bangalore.

Sir,

I have the honor to forward herewith for favour of scrutiny and submission to Government for sanction a revised estimate for Rs.2920/- prepared by the Executive Engineer Bangalore Division - for preparing 9 copper kalasams and gold gilding two of them and fixing them on the temple of the Sri Apprameyaswamy temple at -- Mallur, Chennapatna Taluk and received with correspondence ending with letter No.C.3-1390-25 dated 26th February 1926 from the ---- Deputy Commissioner Bangalore District and to state as follows:--

Two estimates aggregating Rs.2230/- as detailed in the --

1. preparation of 9 copper kalasams	Rs.1180/-
2. Gold gilding to kalasams	" 1050/-
	Rs.2230/-

margin were sanctioned from the temple funds in this office order No.Dl Dis. 248 of 23-24 dated 16th April 1924. The prepartion of the ---- kalasams and gilding are reported to have been completed and the kalasams have arrived at Chennapatna. The Executive Engineer - in submitting the revised estimate states that the provision made in the original estimate for scaffolding charges is insufficient and has provided Rs.639/- for scaffolding and fixing charges and Rs.277/- for establishment, tools and plant charges. Thus an excess of Rs.690/- over what has already been sanctioned is ---- required.

As the institution had only a small balance of Rs.7-9-6 at its credit on 30-6-25 and the sum of Rs.2397-2-4 at its credit in savings bank is reported to be puduvat amount. I recommend that the extra cost which will be only Rs.413/- as explained --- below might be met from the interest earnings of the General --- Muzrai Fund.

The petition received by the Dewan has been sent to the Secty for report on early 34. It will be seen from the previous papers that an estimate for Rs 2230 sanctd by the M.C. for preparing 9 Copper Kalasams and gilding 2 of them, was revised and sanctd by Govt for Rs 2715 in their order no. 499-501/Mag 232-24-10 dt 14-9-26, the excess charge of Rs 485 being the provision for Estabt Tools & Plant charges & scaffolding charges. This has also been perused by the Dewan 35. The petitioner's prayer is for gilding the remaining 5 kalasams & 2 Korambams. This was considered by the M.C, when he sanctd the estimate for Rs 2230 & the estimate for Rs 3050 for gilding the 7 kalasams on Mahadwara gopuram was put off for want of funds. 36. The Deputy Commissioner,

Bangalore District.

Sir,

With reference to your letter No.C.3/C.C.2780 of 24-25 dated 9/13th July 1925 submitting a revised estimate for Rs.2980 for preparing and putting up 9 kalasams and Gold gilding of 2 kalasams for the Sri Apprameyaswami temple at Doddamallur Chennapatna Taluk, I have the honor to request you to kindly furnish information on the following points.

(1) The cash balance now available at the credit of the temple.

(2) Whether the above includes the sum of Rs.2230/- sanctioned for the work.

(3) The amount spent on the work up to date.

(4) When the kalasasthapane ceremony comes off.

The enclosures received with your letter are returned for -- reference and resubmission with your reply.

estimates aggregating Rs. 2230 were sanctioned in your order No.D.1.Dis.248/23-24 dated 16th April 1924, for preparing and guilding the kalasams to be fixed to the Sri Apprameya swami temple at Mallur in the Chennapatna Taluk, and that they were forwarded to the Executive Engineer, Bangalore Division, on 1st May 1924 for favour of arranging for the execution of the work.

The Executive Engineer Bangalore Division, in forwarding a revised estimate for Rs.2920/- states in his letter No.2473/2-B-25 that according to the sanctioned estimate, the kalasams were got prepared at a cost of Rs.1962/- against the provision of Rs.2000/- for this item in the sanctioned estimate, but that for carrying and fixing them on the top of the Gopuram the provisions made in the estimate are found inadequate, that provison was also not made for establishment Tools and plant charges in the sanctioned estimate and hence the , the revised estimate for Rs.690/- in excess of the sanctioned estimate is sent for sanction.

I therefore request that the revised estimate may kirdly be sanctioned. In this connection, I beg to add that the preparation of the 'Kalasams' was entrusted to a firm by the P,W. Department and there could hardly be any necessity to make a charge on the Temple funds on account of "Establishment and Tools and plant". In view of the special nature of the work, a recommendation may be made to waive these charges.

The revised estimate with report, the two sanctioned estimates and sketch received from the Executive Engineer, are submitted --- herewith."

Sir,

I, the undersigned, beg to bring these few humble words into your kind notice and favourable disposal:- It is nearly 13 years since an order was received from the Government regarding the Kalasha- Sthapanam to "Sri Aprameyaswamy Temple at Mallur, Channapatna Taluq. Until now nothing has been done and we do not know in how many years more our prayers will be granted.

The energy and enthusiasm of the workers in the above direction has come almost to a standstill and I pray that at least in your regime the Kalasha - Sthapanam will be done and our prayers granted.

The surplus amount in the name of "Sri Aprameyaswamy's Temple is nearly Rs.18,000/- and out of that amount the most immediate items to be effected are (1) Kalasha - Sthapanam, (2) the immediate repair of the wheels of the car and (3) several other repairs of the temple and its accessory Mantapas.

Soliciting early orders from the Dewan Sahib as the head of the administration and once again requesting that no more delay will ensue in this behalf.

Sir

With reference to this office letter No.B.312 dated the 8th July 1926, I have the honour to forward herewith, for favour of ---- sanction, the revised estimate amounting to Rs2,715 for preparing and fixing Kalasams to the Gopuram of the Sri Appameyaswami Temple at -- Mallur in the Channapatna Taluk-

2. The amount of the estimate for the work as sanctioned by the Muzrai Commissioner in April 1924 is Rs2,230. The excess over the -- original estimate as per revised estimate is (Rs2,715 - Rs2,230) = Rs485. This is mainly due to the omission of the provision towards the ----- Establishment and Tools and Plant charges and inadequate provision -- against the sub-head "Scaffolding"-

3. A copy of letter No.C.1027 dated the 17th May 1926 from the - Muzrai Commissioner Commissioner in Mysore on the subject is enclosed for information-

4. There is no information in this office in re the correct ----- amount at the credit of the institution-

I have the honour to forward herewith, for favour of ------ scrutiny and submission to Government for sanction, a revised ----- estimate for Rs.2,920 prepared by the Executive Engineer, ~~Bangalore~~ - Bangalore Division for preparing 9 copper kalasams and gold gilding two of them and fixing them on the temple of the Sri Apprameyaswami temple at Mallur, Chennapatna Taluk and recived with correspondence ending with letter No.C.3-1390-25 dated 26th February 1926 from the Deputy Commissioner, Bangalore District and to state as follows:-

Two estimates aggregating Rs.2,230 as detailed in the margin

1. Preparation of 9 copper kalasams.	Rs.1,180	) were sanctioned from
2. Gold gilding to kalasams.	Rs.1,050	) the temple funds in
	Rs.2,230	) this office order --

(a) No.D_1 Dis.248 of 23-24 dated 16th April 1924. The preparation of the kalasams and gilding are reported to have been completed and - the kalasams have arrived at Chennapatna. The Executive Engineer in submitting the revised estimate states that the provision made in the original estimate for scaffolding charges is insufficient - and has provided Rs.639 for scaffolding and fixing charges and Rs.277 for establishment, Tools and Plant charges. Thus an excess of -- Rs.690 over what has already been sanctioned is required.

As the institution had only a small balance of Ps.7-9-6 at -- its credit on 30th June 1925 and the sum of Rs.2,397-2-4 at its ---- credit in savings bank is reported to be puduvat amount, I - - - - recommend that the extra cost which will be only Rs.413 as explained below might be met from the interest earnings of the General Muzrai Fund.

As a grant from General Muzrai Funds is proposed and ------ consequently the establishment, tools and plant charges are not -- leviable the estimate reduces itself to Rs.2,643 only against the -- originally sanctioned estimate for Rs.2,230.

May it please Your Highness.-

Installation of golden kalasa stapanam to Sri Apprameyaswamy temple Mallur a famous pilgrimage place Chennapatna taluk, Bangalore District.

Most sincerely beg to remind Your Highness (copy of the memorial of 30-6-1924 for ready reference) herewith enclosed and visit our Agrahar Mallur which Your Highness always passes while travelling from Maddur to Chennapatna. The road passes in Mallur only and the Goparam of Sri Apprameyaswamy is visible even while standing on the road. The river Kanva near Sri Krishna's Temple which is quite attached to the river bridge is just close to the Chick Mallur.

The Dewan Saheb is very much interested to arrange for the early completion and to instal the temple of Sri Apprameya Swamy. Awaiting early and favorable reply which is not yet had As Your Highness is an incarnation of Sri Chamundeswari Devi and this is our most precious chance to win the object.

Since many years the correspondence is going on without any effect. The temple is a Muzrai Major institution one having nearly Rs.30,000 at the temple credit.

Your Highness' love is very essential for the installation.

SIR,

With reference to Government Order No.493-501/Muz.232-24 dated 14th September 1926 sanctioning an excess expenditure of Rs.485/- for repairing and fixing kalasams to the Sri Apprameyaswami temple at -- Mallur Chennapatna Taluk and Financial Secretary's D.O. letter of the 25th October 1926 stating that the remaining 5 kalasams and 2 Kurambams may also be gold gilded as desired by the devotees I have the honor to forward herewith for favour of scrutiny and submission to Government -- for sanction an estimate for Rs.2975/- got prepared by the Executive Engineer Bangalore Division for this additional work. The estimate is seem to have been prepared on the quotations offered by the ------ Premier Metal Factory Bangalore and the Deputy Commissioner states -- that beyond the cost of this estimate a further sum of Rs.971/- would be required for expenses noted in the margin. But as the sum of -- Rs.675/- has already been sanctioned in the Government Order ----- referred to above for scaffolding etc., and as it is decided to fix all the kalasams at the same time after the new ones are also prepared there appears to be no need for item No.1 now asked for and the small amount that may be required for fixing these new kalasams may well be met from the sum of Rs.200/- provided for contingencies.

1. Cost of fixing up the kalasams and Kurumbams	Rs.675/-
2. Staphane ceremonial expenses	96/-
3. Contingencies.	200/-
Rs.	971/-

As the work will be done at the metal factory and does not entail any supervision on the part of the Public Works Department --- officers, it seems reasonable that the establishment, tools and plant charges on this estimate should be waived.

The institution had a cash balance of Rs.820-6-9 and Rs. 13,500/- invested at the end of December 1926. The D'harmadarsis who were consulted in the matter of selling a portion of the investment state that a loan may be granted if Government are amenable to pay half the cost. The request is not feasible. Though the institution has not got sufficient amount in cash at its credit, to meet the cost of this estimate, it has a large surplus in investments and the bonds may be sold to the extent of the sum required.

The estimate for Rs.2078 together with Rs.294/- for staphane ceremony and contingent charges may be submitted to Government for sanction, the cost being met as proposed above.

A copy of the Deputy Commissioner's letter together with the entire file is enclosed for favour of obtaining early orders of Government since the work is desired to be completed before April when the car festival comes off.

Most Honored Sir,

With due reverence and humble submission, I the undersigned Dharmadharsi beg to bring to your honor's benign notice that Kalasasthapanam Ceremony Viz the Installation of Gold plated Kalasams to the temple of Sri Appramayaswami was pending disposal with the Government for the past several years. However during ~~the~~ your regime, as the Revenue Commissioner in Mysore, the matter received your generous consideration on 2-4-1924, when your honorableself paid a visit to the said temple in response to our humble prayer represented in our petition dated 25th January 1924, a copy of which is herein enclosed for ready reference. Ever since your visited the ~~temple~~ temple, the matter is gaining its life and steadily progressing with your good wishes and has reached almost the final stage, having luckly come up now for your final orders during the time of your Membership in the State Administration.

It is needless for us to reiterate that the success achieved so far in our attempt is due to the intiative taken so graciously by your goodself in this Divine undertaking. Now again its final destiny as well, lies in your hands. As the Dewan Sahib is also very much interested in inaugurating the ceremony early, as well as your goodself, and, as the car festival which comes off in April next, is also fast approaching, I beg your honor to be graciously pleased to issue early orders, so that the installation might precede the car festival which will be celebrated this year with a great joy.

For which act of kindness and charity, I shall, as in duty bound, ever pray to ~~the~~ Sri Appramayaswami for your honor's long life and prosperity.

I beg to remain,

With reference to G.O.No. 499-501/Muz. 232-24 dated the 14th September 1926, and in continuation of this Office No. 6093 dated the 3rd January 1927, I have the honor to forward herewith for favour of sanction, a supplemental estimate amounting to Rs. 3,583/- for gilding the five Kalasams and the two Kurambas as well for Sri Apprameyaswamy Temple at Mallur in the Channapatna Taluk.

2. As desired by the Muzrai Commissioner in his letter No. P.C. 60 of 26-27 dated the 23/24th February 1927 (copy enclosed) provision has been made in the estimate for Sthapana ceremony and contingencies. The Muzrai Commissioner is of opinion that as the work is to be executed in the Mysore Premier Metal Factory and provision may not be necessary towards the usual establishment and toold & Plant charges. I do not agree with the Muzrai Commissioner and do not consider it as a proper reason for waiving the Tools and Plant charges. The Department executes works on behalf of the Muzrai Department and it is not possible to asses the actual supervision charges in each case. Taken as a whole the centage levied is much less than the actual charges incurred. There is no reason therefore why Government should waive the centage in this case. Anyway orders of Government may be obtained in the matter. In the mean time a provision of Rs. 312/- has been made under the Sub Head.

Letter No. P.C. 60 of 26-27 dated 24th February 1927 from the Muzrai Commissioner in Mysore, Bangalore, to the Chief Engineer of Mysore, Bangalore.

= = = = = =

With reference to Government Order No. 499-501/Muz. 232-24 dated 14th September 1926, sanctioning an excess expenditure of Rs. 485/-for repairing and fixing kalasams to the Sri Apprameyaswami temple at Mallur Chennapatna Taluk and Financial Secretary's D.O.letter of the 25th October 1926, stating that the remaining 5 Kalasams and 2 Kurambams may also be gold gilded as desired by the devotees, I have the honor to forward herewith for favour of scrutiny and submission to Government for sanction an estimate for Rs. 2,975/- got prepared by the Executive Engineer, Bangalore, Division, for this additional work. The estimate is seen to have been prepared on the quotations offered by the Premier Metal Factory Bangalore, and the Deputy Commissioner stated that beyond the cost of this estimate a furtner sum of Rs. 971/- would be required for expenses noted in the margin. But as the sum of Rs. 675/- has already been sanctioned in the Government Order referred to above for scaffolding etc., and as it is decided to fix all the kalasams at the same time after the new ones are also prepared there appears to be no need for item No. 1 now asked for and the small amount that may be required for fixing these new kalasams may well be met from the sum of Rs. 200/- provided for contingencies.

1.	Cost of fixing up the kalasams and Kurumbams.	Rs. 675/-
2.	Staphane ceremonial expenses.	Rs. 96/-
3.	Contingencies.	Rs. 200/-

As the work will be done at the Metal Factory and does not entail any supervision on the part of the Public Works Department Officers, it seems reasonable that the establishment, tools and plant charges on this estimate should be waived.

The institution had a cash balance of Rs. 820-6-9- and Rs. 13,500/- invested at the end of December 1926. The Dharmadarsis who were consulted in the matter of selling a portion of the investment state that a loan may be granted if Government are not agreeable to pay

pay half the cost. The request is not feasible. Though the institution has not got sufficient amount in cash at its credit, to meet the cost of the estimate, it has a large surplus in investments and the bonds may be sold to the extent of the sum required.

The estimate for Rs. 2,975/- together with Rs 296/- for staphane ceremony and contingent charges may be submitted to Government for sanction, the cost being met as proposed above.

A copy of the Deputy Commissioner's letter together with the emtire file is enclosed for favour of obtaining early orders of Goverr ment since the work is desired to be completed before April when the car festival comes off.

Letter No.C.7-1300/33 dated 10th February, 1937 from the Joint Commissioner, Board of Revenue (Land Revenue) Madras.

"With reference to your letter No.D.C.60/36-37 dated 19th/19th ultimo in the matter of consulting the Dharmakartas of the Sri Arumugaswamy temple at Madur, Chennapatna Taluk, about the disposal of a portion of the loan bonds held by the temple to meet the cost of gilding necessary kalasams and korambams of the gopuram of the said temple, I am to do honor to state that the Dharmakartas who were consulted in the matter are not agreeable to dispose of the loan bonds. They prefer the entire cost of gilding and otherwise may be met out of the General funds and that if it is not possible to meet the entire cost from the general funds, at least half the cost may be met, the other half advanced from the general funds as a loan to be gradually adjusted from the income accruing on the stock loan bonds held by the institution.

2. The Sub Division Officer, Closepet and the Amildar, Chennapatna recommended that a sum of Rs.1000/- may be utilised out of the amount at the credit of the temple and loan bonds to the extent of Rs.500/- may be disposed of to meet the cost of kalasam etc.,

3. The representation of all Dharmakartas seems to deserve the favourable consideration of Government. Half the cost may accordingly be borne by the General Fuzrai Fund and the other half allowed as a loan to the institution on the security of the bonds.

4. As regards the estimate for Rs.2000/- referred to in your letter No.C.60/36-37 dated 19th/19th ultimo, it may be stated that the Metal Factory has allowed a discount of 10% in their quotation to the Executive Engineer while no discount was provided for in those quoted to the Amildar, Chennapatna Taluk. As the work has to be executed through the Public Works Department, the estimate which is prepared by the Executive Engineer and which is to be [illegible] Besides, in the report of the Amildar, Chennapatna Taluk [illegible] this office letter No.C.3-1300-35 dated 13th [illegible] for the marginally noted items in addition to the [illegible] the kalasams etc., and as these items are not [illegible] earlier letter of this office a fresh report [illegible]

5. As the Rathotsavam of the temple is said to come off early in April next, and as the Dharmadarsis are urging for the kalasa stapana before the Rathotsavam comes off, it is requested that early orders of Government may kindly be obtained and communicated to this office.

1. Cost of fixing up the kalasam and korambams.	875-0-0	)
2. Ceremonial expenses	96-0-0	)
3. Contingencies.	200-0-0	)

6. The file of papers ending with the closepet Sub Division Officer's Memo No.A3-357/26-27 dated 29th January 1927 together with the records received with your letter No.C.60/26 dated 19th idem is, herewith returned.

7. The petition of Mr. Apprameya Iyengar received with your letter No.P.C.60/26-27 dated 13th ultimo is also herewith returned.
